Weather Key Points

Regional Operations Center

Western Region

Thursday, July 21

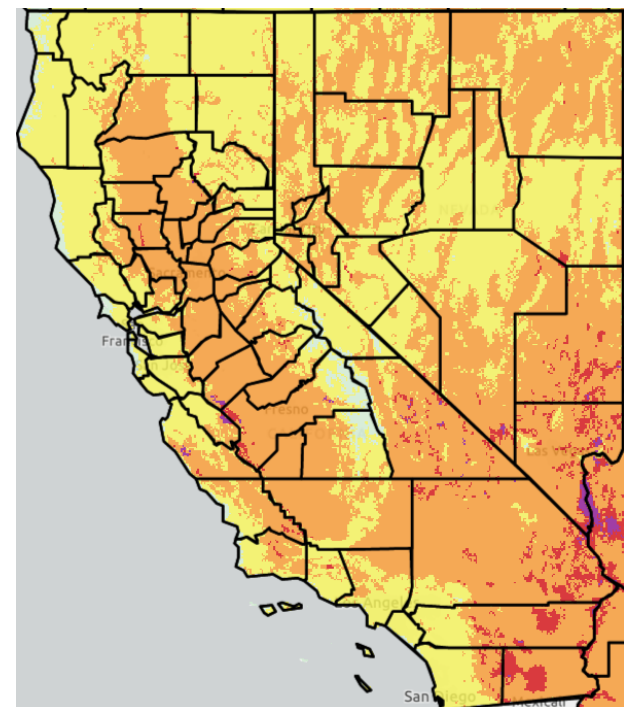

- Slightly cooler temperatures will develop for northern and coastal portions of the state through late week, but in general seasonably hot temperatures are still expected in many locations
 - Moderate to locally high heat risk impacts will remain possible across the Central Valley and interior Southern California
 - Warmer temperatures and areas of moderate to locally high heat risk could return to Northern California for the middle of next week.
- Breezy winds will also continue for many inland mountain and foothill locations and the southern deserts, bringing locally elevated fire weather conditions most afternoons and evenings
 - Critical fire weather conditions are expected in portions of Modoc and Siskiyou Counties through Thursday
 - Widespread critical fire weather conditions are not currently expected over the next 7 days
- Mostly dry conditions are expected to continue into the weekend
 - Increasing chances of showers and thunderstorms are possible across Southern California next week

No significant precipitation is expected through Saturday

Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms may produce locally higher rainfall amounts.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW-80357, 7/20/22, 1434 hours:** IERCC advising of an InReach SOS activation at GPS Coordinates 36.479180 -118.406117 plotting along the High Sierra trail within Sequoia-Kings(SEKI) NPS. IERCC has received texts from the registered owner (R/O) saying there are two in his hiking party, and they believe both have come down with COVID. They are having trouble breathing and unable to carry on their trek. SEKI NPS dispatch has been contacted and the activation relayed to them. SEKI NPS is working on a SAR response. **Update:** At 1751 hours, SEKI NPS advising they have Rangers hiking out to the R/O's location with a 5–6-hour eta and the R/O had been notified of the response. At 2123 hours, SEKI NPS advising Rangers are with the R/O at the given location and are stable. They are going to bivouac overnight with them and reassess in the morning if the R/O is able to hike out or be airlifted out. **Mission Ongoing.**
- **2022-LAW-80363, 07/20/22, 2130 hours:** IERCC advised of a Zoleo Satellite Communicator SOS activation at coordinates 40.052180, -120.724510 which plots to Beckwourth Genesee Road near Slate Road, a rural part of Plumas County. The RO activated the SOS button on her device but did not relay any message. IERCC attempted to contact her with no response. LDO contacted Plumas County Sheriff's Office and provided them with the coordinates. Plumas County Sheriff's Office advised a small group of detectives had been working in that area at the time of the SOS activation. While on the phone with Plumas County Sheriff's Office, the RO contacted dispatch to report a suspicious vehicle. As it turns out the RO was concerned about the vehicle which was parked near her remote residence. The RO told Plumas County she was not in distress, and it turns out to be a misunderstanding. LDO notified IERCC. **Mission Closed.**
- **2022-LAW-80367, 07/20/22, 2214 hours:** IERCC advised of a Zoleo Satellite Communicator SOS activation at coordinates 38.93443, -120.19421 which plots to a mountainous area off of Blakely Trail northwest of Lake Schmidell, Desolation Wilderness, El Dorado County. The original activation had no associated message. LDO contacted IERCC who indicated they had subsequently received a message stating we are lost and have no equipment to get through the night. LDO contacted El Dorado County Sheriff's Office. **Update:** LDO spoke with IERCC again who advised they had further communication with two brothers (59-years-old and 54-years-old) who said they have been camping since Monday but take day hikes. Today they left camp with supplies for a day hike when they got lost, and do not have the proper clothing/equipment for the night. LDO contacted El Dorado County Sheriff's Office and provided an update. El Dorado County Sheriff's Office advised they would handle the incident. **Update:** On 07/21/22 about 0656 hours, IERCC advised the lost hikers were instructed to shelter in place overnight and El Dorado County Sheriff's Office SAR would send SAR members to their location in the morning. **Mission Ongoing.**
- **2022-LAW-80307, 07/19/22, 1554 hours:** CSWC received a request from Tulare County Sheriff's Office to provide two SHRD canine teams for assistance with a homicide investigation in Tulare County. The teams were requested for 07/25/22. LDO contacted Tulare County Sheriff's Office and advised them Cal OES Law Enforcement Branch Assistant Chief would be in contact to handle the request. **Mission Ongoing.**
